Haferboden is the event venue at Gut Waitzrodt. Individual offerings from the surrounding estate may — depending on occasion, availability and responsibility — be explored as additions.

WELCOME

A setting that leaves you room.

Some places need explaining. This one doesn't. Haferboden is a historic granary at Gut Waitzrodt — half-timbering, oak beams, natural stone, set within a country estate whose manor house dates back to 1802. What stands here has stood for generations. And you feel it the moment you pass through the gate.

We don't come from the events industry. We come from Northern Hesse — from the land, from the farm, from real life. So we stage nothing. We simply open a place with enough character to carry your day without overshadowing it.

Here a wedding unfolds at its own pace: much is possible, little is prescribed. You won't get an off-the-shelf running order, but a frame — and people who help you fill it.

HAFERBODEN — EVENT VENUE AT GUT WAITZRODT

INDOORS & OUT

One place, many possibilities.

From the sheltered courtyard to the terrace with its long view — Haferboden gives your day several stages, flowing into one another.

HALL

The historic hall.

Visible oak, calm proportions, warm light: the room for your long feast table and the evening that follows — weatherproof and snug.

RECEPTION

Foyer with bar.

A bar and counter area for arriving, for the conversations in between, for the late hours — the social heart between the spaces.

TERRACES

Covered & with a view.

A covered terrace for any weather, an open terrace overlooking the fields — for the reception drinks, afternoon coffee, the evening in the open air.

COURTYARD & GROUNDS

Yards & open fields.

A sheltered inner courtyard and defined outdoor areas across the broad estate — room for a ceremony, play and pictures in the evening light.

CHAPTER II — YOUR WEDDING JOURNEY

*A day that follows
its own rhythm.*

From the first glass in the courtyard to the last dance in the granary —
Haferboden lets your day breathe. On the next page, one possible flow, freely
yours to shape.

ONE POSSIBLE FLOW

From arrival to the small hours.

Not a template — a sense of how a day at Haferboden can move. Every chapter can be shifted, dropped or reinvented.

MORNING

Arrival & getting ready.

The first guests, a quiet start in the courtyard, last preparations in borrowed stillness — before the day gathers pace.

MIDDAY

Your ceremony in the open.

By arrangement we set up your ceremony space in the courtyard or across the grounds — carried by space, half-timbering and the light of the day.

AFTERNOON

Reception & congratulations.

The hour between vows and feast: sparkling wine on the terrace, canapés in the courtyard, time for every guest and the first photographs.

EVENING

The feast in the hall.

Warm light, long oak, many familiar faces. Your caterer's dinner, your speeches, your music.

NIGHT

Dancing & the long goodbye.

The first dance in the granary, the bar in the foyer, firelight under the open sky — and a weekend that needn't end at midnight.

Because the venue is yours for a whole weekend, there is time for setup, a rehearsal and an unhurried farewell the day after.

CEREMONY & RECEPTION

The moment, then the breath.

RECEPTION DRINKS — COURTYARD & COVERED TERRACE

By arrangement we set up your **ceremony** in the spot that suits you — before the farmstead backdrop, out in the green, under the wide sky. We provide the ceremony setting; you bring your words.

From there it flows seamlessly into the **reception**: sparkling wine on the terrace, a first toast in the courtyard, time to breathe. The short distances between ceremony, terrace and hall keep your day moving without rushing it.

GOOD TO KNOW

- Ceremony space by arrangement in courtyard or grounds
- Reception area on the covered or open terrace
- Bad weather? Hall and covered terrace catch any plan

FEAST & EVENING

One long table, many stories.

When evening comes, the historic hall becomes the heart of it all. Beneath visible oak beams you lay your feast table — your caterer takes the kitchen, you shape the table, the light and the mood.

We provide the room, the furniture, crockery, glassware and table linen as needed, along with sound and microphone for speeches and music. The foyer bar stays open all evening — for the nightcap, the conversation away from the dance floor, the final round.

And because no one switches off the lights at the stroke of midnight, the long goodbye is yours too.

The wash-up and service area supports the workflow around catering, drinks and crockery — your caterer's requirements we agree together in advance.

IV

YOUR BUILDING BLOCKS

What comes together to make your day.

Every wedding at Haferboden begins with the same dependable core — and from there becomes entirely yours. Over the next pages we show how your day assembles, block by block.

This forms the basis of every wedding with us. Everything else is added to your wishes — nothing is compulsory.

THE MODULAR SYSTEM

From frame to a wedding of your own.

*Your proposal builds up in clear layers — from the dependable core to free extras.
You decide how far you go.*

1

Venue & infrastructure

Hall, foyer, terraces, courtyard, base equipment — the solid ground of every wedding.

2

Equipment as needed

Furniture, crockery, glassware, table linen, technology, reception décor — as much or as little as you need.

3

Occasion modules

Ceremony setting, reception, ladder cart, firepit — what makes your day yours.

4

Personal guidance

Calm support by your side on the day — no agency jargon, simply there.

5

Partners & trades

Catering, floristry, music, photography — coordinated on request, delivered independently.

THE PRINCIPLE

- The first two layers are the dependable core of every celebration
- Everything else is added deliberately — never automatically, never as a rigid package

FREELY ADDED

A selection of what can be added — each by arrangement and availability, never guaranteed, always your choice.

BY YOUR SIDE

Personal — from the very first call.

RELIABLY REACHABLE — NO CALL CENTRE, NO HOTLINE

With us you speak to people, not to a hotline. From the first conversation through the viewing to the day itself, your point of contact stays the same — we know your plan, your wishes, your worries.

On request we accompany your wedding day in person: calmly, in the background, with an eye for the small things that carry a big day. No agency jargon, no stage — simply someone who is there when it matters.

DEPENDABLE

- One fixed point of contact from enquiry to celebration
- A joint viewing and run-through of the day
- On request, personal guidance on the wedding day

REAL · ROOTED · REFINED WITHOUT POMP

*Atmosphere cannot
be staged.*

Because here it is real. Grown over generations, carried by wood, stone and open land — and exactly the right backdrop for the most important day.

HONESTLY DEFINED

What we provide — and what we arrange.

Clarity belongs to a beautiful day. So we say openly what Haferboden provides itself and what independent partners and trades deliver.

HAFERBODEN*Your venue.*

Hall, foyer with bar, terraces, courtyard, defined outdoor areas, base equipment, wash-up and service area, agreed usage times — our own service.

THE ESTATE*Around the farm.*

PARTNERS*Independent businesses.*

Equestrian, pony and other offerings on the estate are independent businesses with their own responsibility — never automatically included.

EXTERNAL TRADES*Your suppliers.*

Catering, floristry, music, photo and video are external services — coordinated on request, delivered independently.

FREQUENT QUESTIONS

What many couples ask.

How many guests fit?

From an intimate circle up to around 120 guests, your celebration finds festive room — indoors and in concert with the outdoor areas.

May we choose our own caterer?

Gladly. You choose your caterer freely — we agree the wash-up and service requirements together in advance.

How long may we celebrate?

The venue can be used across the weekend — with time for setup, a rehearsal and a calm farewell the day after.

Is there parking?

Yes, right at the farm. Wi-Fi is included as a matter of course.

Can we hold our own ceremony?

Yes — by arrangement we set up a ceremony space in the courtyard or grounds. You bring your own celebrant or registrar.

What about bad weather?

The hall and covered terrace catch any plan. Your day stays weatherproof without losing atmosphere.

Are there fixed packages?

No. Every proposal is tailored to your day — you pay for what you truly need.

How does a date become binding?
